EXPERIENCE

Project Accountant – The Whiting-Turner Contracting Co. – Bridgewater, NJ 08807

2006-Present

Manage accounts payable and receivables for construction projects out of NJ office, payroll, process VP corporate credit cards and employee field expense reimbursement. Budget/cost code setup, owner invoice mapping, vendor setup, process and code all invoices.

Key Accomplishments:

- Efficiently handled up to 25-30 active projects at a time
- CMiC group trainer for the NJ office (construction accounting & project management system)
- Successfully ensure each project is set up and maintained properly from beginning to end to meet each client's unique needs and requirements based on the project
- Effectively work with multiple teams

EDUCATION

Rutgers University, Somerset, NJ

Rutgers Coding BootCamp - JavaScript Full Stack Web Development
